

What is Lions Message in a Bottle?

A simple idea that encourages people to keep their personal and medical details in a common place where these can easily be found in an emergency.

How does it work?

The information is kept in a bottle. The bottle is kept in the fridge, where the emergency services will expect to find it in the event of being called to your home. They will know you have a bottle by two labels. One is fixed on the inside of the front door or the main entrance to your home and the other to the door of your fridge.

Who Will benefit from Message in a Bottle?

- People having life threatening conditions / allergies
- People who have disabilities
- People not in good health
- People living alone
- Older people
- Paramedics
- Police
- Fire-fighters
- Hospital A&E
- Social Services

Lions Message in a Bottle

How does it work?

In the event of an accident or incident, within the home, the first emergency service on the scene will be alerted to the bottle by the label on the door. The bottle can then be located by the attending service.

Just keep it in the fridge

A scheme to benefit everyone.
Provides essential information for the EMERGENCY SERVICES when they need it.

Remember -
Always Check the Fridge!
