**Surface Dressing Programme 2025
South Brent and Yealmpton Division**

ORD2300966 Bridgend Hill, Newton Ferrers

ORD2402453 Widey Hill, Newton Ferrers

ORD2301485 Drybridge Cross to Dean Cross, South Brent

ORD2403948 B3372 Exeter Road, South Brent

ORD2403942 B3213 North Filham to Davey's Cross Ugborough

I wanted to keep you updated on our forthcoming surface dressing programme in South Brent and Yealmpton Division. Surface dressing is typically carried out during dry, warm weather to ensure the best results. This method is quick and cost-effective, causing minimal disruption to traffic while extending the life of the road.

Devon Highways and Kiely's are making great progress with these essential works and barring any engineering difficulties, we expect to be finished by Autumn 2025. Works will start with "cat eyes" removal in some locations ahead of the main works. Traffic Management and advanced signs will be in place and motorists are advised to allow extra time for travel.

The dates programmed for the works are provisional within a window of five days as highlighted on the One. Network, although works will only take a few hours.

Further information on our work is outlined in the enclosed leaflet. If you would like to receive a copy of this letter in large text, in Braille or another language, please let us know and we will do our best to meet your request.

Our customer service team is also ready to take your call if you have any questions about our work. You can contact them on 0800 123 4567 or by enquiries@kielys.co.uk

Yours sincerely

Phil
